REQUEST FOR CORRECTION OF PARENT CONTINUITY DATA

Applicant respectfully requests the Office of Initial Patent Examination to correct the United States priority data recorded for this patent application.

INCORRECT DATA AS SHOWN ON PAIR as of December 9, 2005			
Parent Continuity Data			
Description	Parent Number	Parent Filing or 371(c) Date	Parent Status
This application is a Continuation-in-part of	09/433,351	11-04-1999	Patented

CORRECT PARENT CONTINUITY DATA AS STATED IN FIRST PARAGRAPH OF SPECIFICATION AS FILED ON JULY 24, 2000	
This is a Continuation-in-Part Application claiming priority under 35 U.S.C. Section 120 from U.S. Patent Application No. 09/433,531 filed November 3, 1999, which in turn is a Continuation-in-Part of U.S. Patent Application No. 09/360,003 filed July 23, 1999.	

Applicant reiterates here its claim of priority under 35 U.S.C. 120 to Application No. 09/433,531, as quoted from the application as filed in the box above.

Applicant acknowledges that the parent application number 09/433,531 was incorrectly recorded on other documents accompanying the original patent filing. (In those, it is shown wrongly as 09/433,351.) Nonetheless, Applicant submits that the data appearing in the first paragraph of the specification entitled "Cross Reference to Related Application" should be regarded as the ultimate source for continuity data entered into the PAIR electronic information system. See 37 C.F.R.
